# “Early” Integration of Nutrition within HIV/AIDS Programming

---

- **2005:** *WHO Consultation on Nutrition & HIV/AIDS* in Durban, South Africa calls for “*the integration of nutrition into the essential package of care, treatment and support for people living with HIV/AIDS and efforts to prevent infection.*”
- **2005:** Congress mandates PEPFAR to “*develop and implement a strategy to address the nutritional requirements of those on antiretroviral therapy.*”
- **2006:** The World Health Assembly passes a resolution calling on Member States “*to develop evidence-based policies and programs on HIV/AIDS and nutrition.*”
- **2006:** Kenya implements Food by Prescription as national program for nutrition assessment, counseling & support (NACS) for PLHIV in clinical care & treatment services. Malawi initiates similar program.
